

Designed and equipped for serious fishing, Pursuit's 2670 is a family-friendly day boat ready for water sports. The self-draining cockpit is lined with coaming bolsters, and comes with a leaning post with tackle center, in-sole fish box (with overboard macerator pump), a 49-gallon live well and a 72-quart cooler with a bait tray.

Command console options include a T-top with lights and rod holders and outriggers. Hydraulic steering, tilt helm and engine trim are all standard on the 2670, and the dash has room for owner-added electronics. There's also a manual head in the lighted, ventilated console. Standard power is a pair of 225-hp Yamaha 4-stroke outboards, equipped with a fuel-management system and a pair of aluminum fuel tanks. $118,000
